## Royal Botanic Garden Edinburgh

# INTERNATIONAL NURSERIES, NURSERYMEN AND SEED CATALOGUES.

ARRANGED ALPHABETICALLY BY COUNTRY

The following is a list of nurseries, nurserymen and seed catalogues held by the library of The Edinburgh Royal Botanic Garden. Unless otherwise indicated, the majority of the catalogues, which are arranged alphabetically by seedsman or nursery, are stored in box-files and are located in the bookstack.

Bound in - **book collection** = located in the main library.

Bound in - **Nurserymen's catalogues U.S.A. (1)** = located in the bookstack at the beginning of the international section, but bound with other catalogues. Number within the brackets refers to the bound volume number.

Bound in - **Cocker and Sons, Seed & Plant Catalogues 1890 – 1899** = bound catalogues relating to a specific nursery and are shelved alphabetically beside the box files in the bookstack.

Bound in – **Periodical collection** = located in the main periodical/journal collection, arranged alphabetically by title.

**Reprint collection** = located in the bookstack.
