Publications  
by staff and  
associates

1 April 2006 - 31 March 2007

Authors associated with RBGE are noted in upper case.

The medium of publication is noted as a symbol after each reference:

- A. Publications in peer review journals
- B. Books, book chapters, edited books
- C. Reports, commissioned work, abstracts
- D. Book reviews
- E. Unpublished thesis

**A**LEXANDER, J. C. M. & **K**NEES, S. G. (2007). Plant Names: a guide for Horticulturists, Nurserymen, Gardeners and Students. Version 1, March 2007. Edinburgh: Horticultural Taxonomy Group [HORTAX]. 31p. **B**

**A**lpermann, T., **J**ohn, U., **T**illmann, U., **E**VANS, K. M., **N**agai, S., **A**nderson, D. M., & **C**embella, A. D. (2006). Genetic differentiation and phenotypic characteristics of geographically separated populations of the *Alexandrium tamarense* North American ribotype. *Programme & Abstracts, 12th International Conference on Harmful Algae, Copenhagen, Denmark, 4-8 September 2006*, p. 53. **C**

**A**lpermann, T. J., **J**ohn, U. E., **M**edlin, L. K., **E**dwards, K. J., **H**ayes, P. K. & **E**VANS, K. M. (2006). Six new microsatellite markers for the toxic marine dinoflagellate *Alexandrium tamarense*. *Molecular Ecology Notes* 6: 1057-1059. **A**

**A**rdiyani, M., **N**EWMAN, M. F., & **C**ronk, Q. C. B. (2006). Phylogenetic study of *Curcuma longa* L. (Zingiberaceae), turmeric, and its allies using internal transcribed spacers (ITS) from nrDNA and trnL-F from cpDNA. In: *Programme and Abstracts 4th International Symposium on the family Zingiberaceae, 3-6 July 2006, Singapore Botanic Garden*. **C**

**A**RMENT, G. (2006). Rhododendrons of subgenus *Vireya*. London: Royal Horticultural Society. 382pp. **B**
