

Botanical paintings by Jane Wisely [Jean Troup Wisely] (1905-)

Water-colour Collection of Jane Wisely.

I have no botanical training & all my classifications are tentative. I should be glad to have correction where necessary. I am willing to work under direction & to go anywhere in the U.K. (or outside) for specimens.

Box 1

Collection Number and Title: I. Lycopodiaceae, Equisetaceae, Polypodiaceae, Aspleniaceae, Athyriaceae, Aspidiaceae, Blechnaceae, Pinaceae, Ranunculaceae [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	July 1971	Lycopodiaceae	Lycopodium clavatum	Stag's Horn Moss	Glen Affric, Inverness-shire	71
2	10.5.41	Equisetaceae	Equisetum telmateia	Great Horsetail	Trefnant, N. Wales	Marshy places. 182. 2 colour drawings. 1 labelled: 12.6.74 Glenashdale
3	1941	Equisetaceae	Equisetum arvense	Common Horsetail	Denbigh	208
4	18.6.75	Equisetaceae	Equisetum hyemali	No entry	Hoy, Orkney	On same page as no. 5 below

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
5	19.6.75	Equisetaceae	<i>Equisetum pratense</i>	No entry	Thurso Kirkyard	790
6	No entry	Equisetaceae	<i>Equisetum arvense</i>	Shady Horsetail	No entry	
7	July 1971	Equisetaceae	<i>Equisetum sylvaticum</i>	'Fairy Larch'	Loch Oich	71
8	1st week of August	Equisetaceae	<i>Equisetum fluviatile</i>	No entry	Shetland	
9	12.7.75	Polypodiaceae	<i>Cystopteris fragilis</i>	Brittle Bladder Fern	Avonside, Tomintoul	799, 797
10	2.8.75	Polypodiaceae	<i>Polystichum aculeatum</i>	Shield Fern	The Park, Stornoway, Lewis	816
10a	2.8.75	Polypodiaceae	<i>Asplenium filix-femina</i>	Lady Fern	The Park, Stornoway, Lewis	[No drawing]
11	1973	Polypodiaceae	<i>Phyllitis scolopendrium</i>	Hart's-Tongue Fern	I.W. August	219. Scolopendrium vulgare ?
12	8.5.74	Aspleniaceae	<i>Asplenium marinum</i>	Sea Asplenium	Muchalls, Kincardenshire	A rock cleft; also Arran, Kildonan. 670
13	No date	Athyriaceae	<i>Athyrium filix-femina</i>	Lady Fern	No entry	824
14	22.6.74	Aspidiaceae	<i>Dryopteris borrieri</i>	No entry	Benlister Glen, Arran	18" high; pale green, brown scales on back of rachis. 702, 703
15	23.6.74	Aspidiaceae	<i>Dryopteris aemula</i>	No entry	Lochranza, Arran	In (a) very shady place under trees. 704
16	August 1971	Aspidiaceae	<i>Polystichum lonchitis</i>	Holly Fern	E. Inverness-shire	2500 ft.
17	1972	Blechnaceae	<i>Blechnum spicant</i>	Hard Fern	No entry	Common in Highlands.

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
18	9.4.74	Pinaceae	<i>Larix decidua</i>	Larch	Crathes, Aberdeenshire	668
19	1968	Ranunculaceae	<i>Caltha palustris</i>	Marsh Marigold	Hants.	
20	1968	Ranunculaceae	<i>Trollius europaeus</i>	Globe Flower	Braemar, at foot of Morrone	1) Opposite taken from garden. Foot of Morrone, Braemar. 2) Wild specimen on Deeside above Ballater; by side of Dee, Dinnet Bridge. Wild specimen rather smaller as above. 10 petals, 5 inner, 5 outer, effect as of large buttercup. Found in Aberdeenshire.
21	2.7.75	Ranunculaceae	[<i>Trollius europaeus</i>]		Dee above Pass of Ballater	
22	3.8.74	Ranunculaceae	<i>Aconitum anglicum</i>	Monkshood	Ballater, Aberdeenshire	759; white hairs on petals
23	1944	Ranunculaceae	<i>Ranunculus auricomus</i>	Goldilocks	Denbigh	
24	19.6.75	Ranunculaceae	<i>Ranunculus repens</i>	Creeping Buttercup	Stromness, Orkney	787
25	15.7.72	Ranunculaceae	<i>Ranunculus acris</i>	Meadow Buttercup	Waterside, Feughside	
26	8.vi.38	Ranunculaceae	<i>Ranunculus acris</i>	Meadow Crowfoot	Denbigh	Rank grass.
27	10.6.74	Ranunculaceae	<i>Ranunculus sceleratus</i>	Celery-leafed Buttercup	Arran	782
28	10.viii.36	Ranunculaceae	<i>Ranunculus flammula</i>	Lesser Spearwort	Loch Shin, Sutherland	Marshy places.

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
29	April 1971	Ranunculaceae	Ranunculus ficaria	Lesser Celandine	Deeside, Aberdeenshire	
30	11.5.39	Ranunculaceae	Aquilegia vulgaris	Columbine	Cefn, Denbigh. Also (leaves only) West Dean Wood, Hants, May.	
31	1942	Ranunculaceae	Thalictrum flavum	Common Meadow Rue	Denbigh	2 colour drawings
32	7.7.74	Ranunculaceae	Thalictrum minus	Lesser Meadow Rue	Cheddar Gorge, Somerset	[No drawing]
33	31.vii.36	Ranunculaceae	Thalictrum minus	Lesser Meadow Rue	Cheddar Gorge, Somerset	In crevices of rock. 709. Leaves rather bigger.
34	7.7.72	Ranunculaceae	Thalictrum dunense	No entry	Aberdeen beach: dry sandy bank.	

Collection Number and Title: II. Nymphaeaceae, Papaveraceae, Cruciferae, Resedaceae, Hypericaceae, Tamaricaceae [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	June 1976	Nymphaeaceae	No entry	Yellow water-lily	Peebles	
2	28.vii.36	Papaveraceae	Papaver rhoeas	Poppy	Failand, Somerset	Cultivated ground.

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
3	15.6.73	Papaveraceae	Papaver somniferum	Opium Poppy	Paulsgrove Causeway, Portsmouth	Near rubbish dump.
4	26.6.69	Papaveraceae	Glaucium flavum	Horned Poppy	Gosport, Hants.	Browndown Range
5	mid-May 1971	Papaveraceae	Chelidonium majus	Greater Celandine	Hants.	
6	14.6.75	Cruciferae	Hesperis matronalis	Dame's Violet	Stromness and elsewhere in Orkney	774
7	15.8.74	Cruciferae	Sinapis arvensis	Charlock	Persley, Aberdeen	765
8	29.8.71	No entry	Cakile maritima	Sea Rocket	Aberdeen	Sand
9	30.7.73	Cruciferae	Diplotaxis muralis	Stinkweed	Ventnor, I.W.	Also Portsdown Hill, Portsmouth, 25.8.73. 658
10	26.6.69	Cruciferae	Crambe maritima	Sea Kale	Gosport, Hants	Coast off Browndown Range.
11	31.3.74	Cruciferae	Lepidium campestre	Common Pepperwort	Weed in Anderson Drive South , Aberdeen	666 [2 drawings, 1 pen and ink, 1 colour]
12	July 1968	Cruciferae	Capsella bursa-pastoris	Shepherd's Purse	No entry	Common weed. 47
13	5.5.74	Cruciferae	Cochlearia officinalis	Common Scurry Grass	Muchalls, Kincardenshire	669
14	10 June 1969	Cruciferae	Cochlearia armoracia	Horseradish	Portsmouth Harbour, Horsea Island	Armoracia rusticana
15	24.iv.38	Cruciferae	Cardamine pratensis	Lady's Smock	Forest o' Birse; and Hants	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
					15.v.71	
16	1968	Cruciferae	Matthiola incana	Stock	Sea cliffs, Hants	
17	16.7.74	Cruciferae	Barbarea verna	American Cress	Shore of Hangstone Harbour, Portsmouth	740
18	20.5.73	Cruciferae	Alliaria petiola	Garlic Mustard; Jack by the Hedge	Cotswold wayside	2 drawings, one pen and ink, one colour
19	June 1968	Cruciferae	Sisymbrium officinale	Hedge Mustard	Portsmouth	
20	13.5.72	Cruciferae	Cardamine impatiens ?	Narrow-leaved Bittercress	Compton Church, Surrey (Hist. Ass.)	
21	1968	Resedaceae	Reseda lutea	Mignonette	Horsea Island and Portsmouth	
22	1968	Resedaceae	Reseda luteola	Weld; Dyer's Rocket	Portsmouth	2 colour drawings
23	1.8.40	Hypericaceae	Hypericum perforatum	Common St John's Wort	Pitlochry, Perthshire	
24	early July 1971	Hypericaceae	Hypericum pulchrum	Beautiful/Slender St. John's Wort	Cannich Road, Inverness- shire	78
25	1971	Hypericaceae	Hypericum hirsutum	Hairy St. John's Wort		
26	August 1971	Hypericaceae	Hypericum calycinum	Rose of Sharon	Drum, Aberdeenshire	
27	3.11.68	Tamaricaceae	Tamarix gallica	Tamarisk	Pagham	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
					Harbour, Hants	

Collection Number and Title: III. Caryophyllaceae, Chenopodiaceae, Balsaminaceae, Aquifoliaceae, Celestraceae. Leguminosae [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	1968	Caryophyllaceae	<i>Silene dioica</i>	Red Campion	No entry	
2	1 st week of August 1969	Caryophyllaceae	<i>Silene dioica</i> <i>zetlandia</i>	Red Campion	Shetland, Mainland	[No drawing]
2a	July 1968	Caryophyllaceae	<i>Silene alba</i>	White Campion	Southampton	
3	21.6.69	Caryophyllaceae	<i>Silene vulgaris</i>	Bladder Campion	Harting Down, Hants	
4	25.7.74	Caryophyllaceae	<i>Silene vulgaris</i>	Bladder Campion	Ardersier, near Inverness	750
5	2.6.71	Caryophyllaceae	<i>Silene gallica</i>	Small Catchfly	St Mary's, Scillies	Also white.
5a	26.6.1969	Caryophyllaceae	<i>Silene nutans</i>	Nottingham Catchfly	Browndown rifle range, Gosport, Hants.	Small drawing on reverse
6	1968	Caryophyllaceae	<i>Lychnis flos- cuculi</i>	Ragged Robin	No entry	
7	July 1972	Chenopodiaceae	<i>Chenopodium</i> <i>bonus-henricus</i>	Good King Henry	Kindrogan	Orache

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
7a						K. 72 [Drawing of unidentified Chenopodiaceae]
8	June 1968	Chenopodiaceae	Chenopodium rubrum	Red goose-foot?	Portsmouth	
9	Sept 1968	Chenopodiaceae	Beta maritima	Wild Beet	Emsworth	
10	28.7.73	Chenopodiaceae	Halimione portulacoides	Sea Purslane	Pilsey Island, Sussex	656
11	June 1968	Chenopodiaceae	Chenopodium murale	Nettle-leafed goose-foot?	Portsmouth	
12	July 1944	Balsaminaceae	Impatiens glandulifera	Balsam; Policeman's Helmet	Denbigh	[2 colour drawings]
13	Dec. 1970	Aquifoliaceae	Ilex aquifolium	Holly	Hants.	
14	22.10.39	Celastraceae	Euonymus europaeus	Spindle Berry	Denbigh	
15	7.7.74	Leguminosae	Genista tinctoria	Dyer's Greenweed	North Somerset	713
16	27.4.69	Papilionaceae	Ulex europaeus	Gorse; Furze Whin	Setham	672 [2 colour drawings]
17	24.iv.38	Papilionaceae	Cytisus scoparius	Broom	Forest o' Birse, Kincardine	Roadside – fairly sandy soil
17a						Drawing of unidentified legume
18	9.8.73	Leguminosae	Melilotus alba	White Melilot	Ferry Road, Portsmouth	658
19	1.7.73	Papilionaceae	Astragalus glycyphyllos	Milk Vetch	Duncton, Sussex	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
20	July 1971	Papilionaceae	<i>Vicia sylvatica</i>	Wood Vetch	Glengarry, Inverness-shire	Forestry paths; Also in sea shingle at Arran and Ardersier; also seen at St Cyrus. 71 [2 colour drawings]
21	June 1968	Papilionaceae	<i>Melilotus officinalis</i>	Melilot	Portsmouth	[No drawing]
22	Early August 1969	Papilionaceae	<i>Vicia cracca</i>	Tufted Vetch	Sumburgh, Shetland	
23		Leguminaceae [sic]	<i>Lathyrus palustris</i>	Marsh Pea		[No drawing]
23a	7.7.73	Papilionaceae	<i>Lupinus arboreus</i>	Lupin	Pilsey Island, Sussex	Also on Hayling Is., Hants. [2 colour drawings]
24	August 1971	Papilionaceae	<i>Lupinus nootkatensis</i>	No entry	Deeside, Dinnet Bridge, Aberdeenshire	Dinnet 28.6.64 [2 colour drawings, a. showing seed pods, b. showing flowers]

Collection Number and Title: IV. Rosaceae, Crassulaceae, Saxifragaceae, Lythraceae, Onagraceae, Hippuridaceae, Parnassiaceae. [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	29.6.68	Rosaceae	<i>Spiraea filipendula</i>	Dropwort	Danebury Ring, Hants	
1a	Sept. 1968	Rosaceae	<i>Spiraea ulmaria</i>	Meadow sweet	Lumphanan, Aberdeenshire	
2	1968	Rosaceae	<i>Rubus fruticosus</i>	Bramble	Selbourne, Hampshire	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
3	28.7.75	Rosaceae	<i>Spiraea salicifolia</i>	Bridewort	Rhynie, Aberdeenshire	819
4	8.6.75	Rosaceae	<i>Geum macrophyllum</i>	No entry	Invershin, Sutherland	772
5	No date	Rosaceae	<i>Rubus fruticosus</i>	Bramble	No entry	[2 colour drawings, one showing fruits, one showing flowers]
6	30.7.73	Rosaceae	<i>Rubus caesius</i>	Dewberry	Ventnor	653
7	August 1965	Rosaceae	<i>Rubus saxatilis</i>	Stone Bramble	Dinnet	825
8	Sept	Rosaceae	<i>Sorbus aucuparia</i>	Rowan	No entry	
9	10.8.40	Rosaceae	<i>Potentilla palustris</i>	Marsh Cinquefoil	Coutlaw, Aberdeenshire	Marshes; also Muir of Ord and Somerset
10	July 1971	Rosaceae	<i>Potentilla recta</i>	Sulphur Cinquefoil	Deeside Rd, Aberdeen	On top of dry earth wall; garden escape. W. of Beaconhill Rd.
11	3.8.39	Rosaceae	<i>Geum urbanum</i>	Wood Avens or Herb Bennet	Shipham, Somerset	Woods and hedge-rows
12	Late July 1936	Rosaceae	<i>Geum rivale glaucobatus</i>	Water Avens	Kirkmichael, Perthshire	In running water
13	July 1970 ?	Rosaceae	<i>Sanguisorba officinalis</i>	Great Burnet	Grasmere	
14	1941	Rosacerae	<i>Poterium sanguisorba</i>	Salad Burnet	Cefn, Denbigh	
15	29.5.69	Rosaceae	<i>Prunus avium</i>	Gean	Nr. Dunect, Aberdeenshire	
16	25.5.74	Rosaceae	<i>Prunus padus</i>	Bird Cherry	Ross-shire (plentiful)	676
17	16.5.71	Rosaceae	No entry	Hawthorn	Plymouth	3 colour drawing, one showing berries,

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
						two showing flowers
18	May 1974	Rosaceae	<i>Sorbus aucuparia</i>	Rowan	Ross-shire	675. Drawing showing flowers
19	7.7.74	Crassulaceae	<i>Sedum reflexum</i>	Reflexed Stonecrop	Cheddar Gorge, Somerset	12 stamens. 710
20	31.5.71	Crassulaceae	<i>Umbilicus rupestris</i>	Pennywort	S.W. Cornwall	
21	1937	Parnassiaceae	<i>Parnassia palustris</i>	Grass of Parnassus	Liddesdale, Dumfries-shire	709
21a	July 1971	Lythraceae	<i>Lythrum salicaria</i>	Purple Loosestrife	Sent from Test Valley	Seen by Loch Awe & opposite Handa
22	No entry	Onagraceae	<i>Epilobium hirsutum</i>	Codlins & Cream; Great Willow Herb	Hants	Stem has very small hairs
23	July 1940	Onagraceae	<i>Epilobium montanum</i> ?	Broad-leaved Willowherb	H.S.D. garden, Denbigh	Cultivated ground, etc. 173 [2 colour drawings]
24	July 1971	Onagraceae	<i>Epilobium palustre</i>		Cannich, Inverness-shire	
25	July 1940	Onagraceae	<i>Epilobium angustifolium</i>	Rosebay Willowherb	H.S.D. garden, Denbigh	Waste places, eg. Felled woods
26	1942	Onagraceae	<i>Epilobium palustre</i>	Marsh Willowherb	Denbigh	215. [2 colour drawings]
27	July 1968	Onagraceae	<i>Oenothera biennis</i>	Evening Primrose	Southampton	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
28	10.7.70	Onagraceae	Oenothera erythrosepala	No entry	Horsea Island, Portsmouth Harbour	Bullous red dots
29	23.6.74	Onagraceae	Fuschia magellicana	Fuschia	Seen in Connemara, Benlister Arran, Sannox Arran	Brought to Ireland from Chile by an English sailor in the 1780's. (Brandan Lehane, Companion Guide to Ireland 1974.) 698
30	29.6.72	Hippuridaceae	Hippuris vulgaris	Mare's Tail	Tulloch Hill, Perthshire	In water

Collection Number and Title: Cyperaceae XII. [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	21.7.73	Sparganiaceae	Sparganium emersum	Unbranched Bur-reed	In water Hatchett Bond New Forest	Between Beaulieu and Lymington
2	14.8.73	No entry	No entry	Branched Bur-reed	Woods Mill, Sussex	Ink drawing
3	14.7.74	Typhaceae	Typha angustifolia	Arrow-leaved reed-mace	Medina Estuary (in water)	732
4	11.6.74	Cyperaceae	Eleocharis palustris	Common Spike Rush	Arran	702
5	9.6.74	Cyperaceae	Scirpus maritimus	Sea Club-rush	Sea-shore, Lamlash, Arran	687. Stem sharply triangular

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
6	7.7.74	Cyperaceae	Schoenus nigricans	Bog-rush	N. Somerset (in water);	707. Stem sharply triangular
7	14.8.73	Cyperaceae	Cyperus longus	Sweet Galingale	Woods Mill, Sussex	Triangular stalk; 663
8	1972	Cyperaceae	Carex binervis	No entry	Kindrogan Hill, Enochdhu	
9	June 1972	Cyperaceae	Carex rostrata	Bottle Sedge	Kindrogan , in water	
10	1971	Cyperaceae	Carex pallescens		Inverness-shire	
11	July 1971	Cyperaceae	Carex limosa		East Inverness-shire	
12	August 1945	Cyperaceae	Carex montana		Lewis	793
13	18.6.75	Cyperaceae	Carex buxbaumii		Hoy, Orkney	788
14	June 1975	Cyperaceae	Carex flava		Orkney	796
15	18.6.75	Cyperaceae	Carex montana		Hoy	[No drawing]
16	13.6.76	Gramineae	Melica nutans		Peebles	

Collection Number and Title: Gramineae. XIII. [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	17.8.74	Gramineae	Glyceria maxima	No entry	Edge of Dee at	779

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
					Bielside, Aberdeen	
2	13.7.74	Gramineae	Catabrosa aquatica	No entry	Alvestone I.W.	In still water. 721
3	July 1971	Gramineae	Seiglingia procumbens	No entry	Above Cannich, Inverness- shire	
4	June 1969	Gramineae	Festuca pratensis	Meadow Fescue ?	Near Browndown	
5	July 1971	Gramineae	Festuca vivipara	No entry	Glen Affric Inverness- shire	71
6	June 1974	Gramineae	Phleum pratense	Timothy	Arran	
7	1972	Gramineae	Poa trivialis	No entry	Kindrogan, Perthshire	
8	22.6.69	Gramineae	Dactylis glomerata	Cocksfoot Grass	Woods Mill, Sussex	
9	10.6.69	Gramineae	Briza media	Quake Grass	Horsey Island, Portsmouth	
10	June 1973	Gramineae	Briza minor	No entry	I.W.	
11	13.7.74	Gramineae	Bromus uniloides	No entry	Alvestone I.W.	In hedge. 727
12	14.4.74	Gramineae	Agropyron pungens	Sea Couch Grass	Medina Estuary, I.W.	728
13	12.7.74	Gramineae	Hordeum murinum	Wild Barley	Newport, I.W.	716
14	Late July 1974	Gramineae	Koeleria gracilis	No entry	Tomatin Inverness-	767

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
					shire	
15	3.8.74	Gramineae	Helictotrichon pratense	Meadow Oat Grass	Ballater, Aberdeenshire	758
16	July 1972	Gramineae	Helictotrichon pratensis	No entry	Kindrogan, Perthshire	
17	1 st week of August 1969	Gramineae	Holcus lanatus	No entry	Lerwick	
18	13.7.74	Gramineae	Calamagrostis epigejos	Bush Grass	Alverstone, I.W.	722
19	8.7.74	Gramineae	Deschampsia caespitosa	No entry	N. Somerset	715
20	1972	Gramineae	Deschampsia flexuosa	No entry	Kindrogan, Perthshire	756
21	3.8.74	Gramineae	Agrostis tenuis	No entry	Ballater, Aberdeenshire	757
22	July 1974	Gramineae	Phleum pratense	Timothy	I.W.	705
23	1 st week of August 1969	Gramineae	Phalaris arundinacea	Reed Canary Grass	Shetland, Mainland	
24	4.10.69	Gramineae	Phalaris canariensis	Canary Grass	London	A London rubbish tip
25	28.7.73	Gramineae	Spartina townsendii	Common Cord-grass or Rice grass	Pilsey Island, Sussex	660. Within wash of high tide. Typed page pasted on reverse of title label sheet giving descriptive and distribution information for the species
26	13.7.74	Gramineae	Gandinia fragilis	Alvestone, I.W.	720	720

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
27	Late July 1974	Gramineae	? (her question mark)	No entry	Tomatin, Inverness-shire	749; 743; 742 [3 colour drawings of unidentified species of grass]
28	14.vi.36	Gramineae	No names given		Helidon, Northants	Pasture. Seft-grass; Rye-grass; Meadow-pea; Lesser Rush; Meadow foxtail. [Drawing shows 5 separate species of grass]
29	1968	Gramineae	<i>Sinosurus cristatus</i>	Meadow Foxtail	No entry	
30	18.6.75	Gramineae	<i>Poa alpine</i>	No name	Hoy, Orkney	786
31	2.8.75	Gramineae	<i>Lolium multiflorum</i>	No entry	Lewis	820
32	3.8.75	Gramineae	<i>Molinia caerulea</i>	Purple Moor Grass	Lewis	809
33	4.8.75	Gramineae	<i>Agrostis stolonifera</i>	No entry	Lewis	814
34	3.8.75	Gramineae	<i>Brachypodium sylvaticum</i>	No entry	Lewis	817
35	8.8.75	Gramineae	<i>Avena strigosa</i>	No entry	Port of Ness (beach), Lewis	A now dis-used oat, ripening in northern latitudes, taken to the wild. 818
36	2.8.75	Gramineae	<i>Alopecurus geniculatus</i>	No entry	The Park, Stornoway, Lewis	799
37	2.8.75	Gramineae	<i>Alopecurus pratensis</i>	Meadow Foxtail	Stornoway, Lewis	800

Collection Number and Title: Orchidaceae [Box 1]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	12.7.75	Orchidaceae	Coeloglossum viride	Frog Orchid	Avon Valley	Near Tomintoul - 812
2	3.8.75	Orchidaceae	Dactylorhiza fuchsii var. hebridiensis		Valtos, Lewis	Rich machair, frog, incarnata, twayblade red cover, bluebell, thalyctrum, dunense, fellwort. 804 [2 colour drawings]
3	23.7.39	Orchidaceae / Aracaceae II	Epipactis palustris (?)	Marsh Helleborine	Denbigh	
4	24.7.73	Orchidaceae	Epipactis palustris	Marsh Helleborine	Totland, I.W.	Also seen in Somerset 1974. 637
5	1945	Orchidaceae	No entry	Greater Helleborine	Compton, Hants.	
6	1945	Orchidaceae	No entry	Lesser Helleborine	Compton, Hants.	
7	n.d.	Orchidaceae	Goodyera repens	Creeping Lady's Tresses	No entry	[2 colour drawings]
8	21.6.69	Orchidaceae	Herminium monorchis	Musk Orchid	Harting Down

				Bird's foot trefoil		
38	No date	Papilionaceae	Vicia hirsuta	Hairy Tare		Label on drawing: Slender Tare

Collection Number and Title: III. Buxaceae, Leguminosae, Papilionaceae, Rosaceae [Box 4]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
1	30.6.73	Buxaceae	Buxus sempervirens	Box	Woods Mill, Sussex	
2	6.6.45	Papilionaceae	Genista Anglia	Petty Whin	New Forest	Needle Whin, New Forest 1945
3	9.8.73	Papilionaceae	Ononis repens	Restharrow	Ferry Road, Portsmouth	P'mouth 9.8.73
4	25.7.74	Leguminosae	Trifolium hybridum	Alsike Clover	E. Inverness-shire	744
5	4.viii.36	Leguminosae	Ononis spinosa	Rest-harrow	Brean Down, Somerset	Cultivated land and turf
6	30.9.40	Papilionaceae	Medicago sativa	Lucerne	Denbigh	Totland, 1973; fodder plant, sometime found as escape. 181
7		Papilionaceae	Trifolium campestre	Hop trefoil		71
8	2.7.72	Papilionaceae	Oxytropus campestris		Loch Loch, Perthshire	[No drawing]
9	June 1968	Papilionaceae	Trifolium repens	White or Dutch Clover	Hayling Ferry Point, Portsmouth	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
10	1943	Papilionaceae	Trifolium medium	Zig-zag Clover	Denbigh	
11	Sept 1941	Papilionaceae	Trifolium arvense	Hare's foot Trefoil	Beaconsfield	Pilsey Wood, Sussex, 1973. 220.
12	2.10.68	Papilionaceae	Trifolium pratense	Red Clover	Hampshire	
13	1 st week of August 1969	Papilionaceae	Trifolium pratense	Red Clover	Spiggie, Shetland	
14	17.viii.36	Leguminosae	Anthyllis vulneraria	Kidney Vetch	Huntly, Aberdeenshire	Dry grass banks
15	1941	Papilionaceae	Lotus corniculatus	Bird's Foot Trefoil	Denbigh	161.214.
16	14.8.73	Papilionaceae	Lotus pedunculatus ??	Marsh Bird's Foot Trefoil ?	Woods Mill	Beside water, climbing on other plants. 660.
17	26.6.71	Papilionaceae	Astragalus danicus	Purple Milk Vetch	St. Cyrus	
18	2.7.72		Oxytropus campestris		Loch Loch, Perthshire	
19		Papilionaceae	Vicia sativa	Common Vetch		No accompanying artwork
20	1972	Papilionaceae	Oxytropis halleri		Ben Vrackie (K)	Do again with white base showing
21	6.6.45	Papilionaceae	Ornithopus perpusillus	Bird's Nest	New Forest	
22	16.8.40	Papilionaceae	Vicia cracca	Tufted Vetch	Bieldside, Aberdeenshire	Hedges, etc.
23	21.6.41	Leguminosae	Vicia silvatica	Wood Vetch	Forest of Dean	Woods (Mary --- ?)
24	4.9.68	Papilionaceae	Vicia sepium	Bush Vetch	Torphins, Aberdeenshire	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
25	18.5.68	Papilionaceae	Vicia sativa	Common Vetch	White Dell Farm, Hampshire	2 colour drawings
26			Lathyrus nissolia ?			754. 2 colour drawings
27	30.6.40	Papilionaceae	Lathyrus pratensis	Meadow Vetchling	Denbigh	
28	26.7.74	Leguminosae	Lathyrus rissolia	Grass Vetchling	Tomatin, Inverness-shire	[No drawing]
29		Papilionaceae	Lathyrus montanus	Bitter Vetch	New Forest	71. 2 colour drawings
30	11.6.74	Leguminosae	Vicia angustifolium (Idle ?)		Arran	696.
31	Early July 1971	Papilionaceae	Lathyrus montanus	Bitter Vetch	Glen Affric, Inverness-shire	[No drawing]
32	11.7.70	Papilionaceae	Lathyrus tuberosus	Fyfield Pea	Horsea Island, Portsmouth Harbour	[No drawing]
33	June 1976	Papilionaceae? Leguminosae	Vicia augustolia		Peebles	
34	11.6.75	Leguminosae	Oxytropus halleri		Bettyhill, Sutherland	783
35	29.5.76		Astragalus danicus	Burghead		
36	30.6.72	Rosaceae	Rubus chamaemorus	Cloudberry	Morrone	Morrone, Braemar 1943 Cainwell, Glenshee end July 1972. 2 colour drawings, 1 showing flower one showing fruit
37	1971	Rosaceae	Rubus idaeus	Raspberry	Skene Road	2 colour drawings
38	1941	Rosaceae	Potentilla sterilis	The Barren Strawberry	Denbigh	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
39	June 1971	Rosaceae	Potentilla erecta	Common Tormentil		
40	6.9.68	Rosaceae	Potentilla erecta	Tormentil	Dinnet, Aberdeenshire	
41	July 1971	Rosaceae	Potentilla anglica		Craigard Glengarry, Inverness-shire	
42	July 1971	Rosaceae	Potentilla crantzii		Glen Buck, Inverness-shire, 2000 ft	
43	1941	Rosaceae	Fragaria vesca	Strawberry	Denbigh	
44						Unlabelled drawing looks like species of Alchemilla
45	5.9.38	Rosaceae	Alchemilla alpina	Alpine Lady's Mantle	Glenshee (near Devil's Elbow)	Turf, at altitudes not less than 400 ft. and not south of Yorkshire
46	1967	Rosaceae	Dryas octopetala	Mountain Avens	Seen Invernaver, Sutherland	But painted Denbigh 1944

Collection Number and Title: III. Rosaceae, Crassulaceae, Saxifragaceae, Droseraceae, Onagraceae, Umbelliferae, Santalaceae, Polygonaceae, Urticaceae, Betulaceae, Myricaceae, Salicaceae, Ericaceae, Empetraceae [Box 4] (No examples of Ericaceae or Empetraceae in this collection)

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	9.6.41	Saxifragaceae	Saxifraga stellaris	Starry Saxifrage	Nant Ffrancon Pass, N. Wales	Inverness-shire, mountainous country.

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
2	20.6.75	Rosaceae	<i>Alchemilla conjuncta</i>		Thurso Kirkyard	792
3	1941	Rosaceae	<i>Dryas octopetala</i>	Mountain Avens	Denbigh	
4	30.8.40	Rosaceae	<i>Potentilla anserina</i>	Silverweed	Craigton Road, Aberdeen	
5	27.viii.36	Rosaceae	<i>Potentilla tormentilla</i>	Tormentil	Kirkmichael, Perthshire	Heath & turf.
6	1940	Rosaceae	<i>Potentilla repens</i>	Creeping Cinquefoil	Denbigh	175
7	7.6.41	Crassulaceae	<i>Sedum anglicum</i>	English Stonecrop	Llanrwst, N. Wales	W. coast of Scotland and in Snowdonia. 200. [2 drawings (colour)]
8	1968	Crassulaceae	<i>Sedum acre</i>			
9	15.6.73	Crassulaceae	<i>Sedum dasyphyllum</i>	Thick-leaved Stonecrop	Horsea Island, Portsmouth Harbour	[2 drawings (colour)]
10	1942	Saxifragaceae	<i>Saxifraga tridactylites</i>		Denbigh	192 [2 drawings (colour)]
11	15.7.72	Saxifragaceae		Starry Saxifrage	Feughside	Waterside. Two green splotches on each petal, anthers red & orange [2 drawings (colour)]
12	mid-May	Saxifragaceae	<i>Saxifraga tridactylites</i>		Cowdray ruins, Hants.	On wall. 71
13	May 6, 1973	Saxifragaceae	<i>Saxifraga granulata</i> ?	Meadow Sax ?	St Cyrus	
14	9.6.41	Saxifragaceae	<i>Saxifraga hypnoides</i>	Cut-leaved Saxifrage	The Glyders, Snowdonia	Also on Snowdonia mountains. Dovedale Moss. 197
15	1971	Saxifragaceae	<i>Saxifraga</i>	Yellow	Fort Augustus	Also Invernaver, Sutherland Not quite

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
			aizoides	Mountain Saxifrage		accurate – no stamens! 206 and 71 [3 drawings (colour)]
16	early July 1971	Saxifragaceae	Saxifraga oppositifolia		Glengarry, Inverness-shire 2500 ft	71
17	9.6.41	Saxifragaceae	Chrysosplenium oppositifolium	Golden Saxifrage	The Glyders, Snowdonia	Damp places (by brooks in Denbighshire) 185
18	1945	Droseraceae	Drosera anglica	Long-leaved Sundew	New Forest	
19	late June 1971	Onagraceae	Circaea alpina	Alpine Enchanter's Nightshade	Kilfinnan, Inverness-shire	
19a	1945	Onagraceae	Circaea alpina	Alpine Enchanter's Nightshade	New Forest	
20	late June 1971	Onagraceae	Alpine Epilobium		Glengarry, Inverness-shire	
21	August 1941	Umbelliferae	Hydrocotyle vulgaris	Pennywort	Dinnet Moor, Aberdeenshire	212
22	2.8.75	Onagraceaceae	Epilobium adenocaulon		The Park, Stornoway, Lewis	801. Glandular hair on the upper part of the stem
23	26.7.76	Umbelliferae	Apium inundatum		S. Wales	Dried pond
24	30.7.73	Santalaceae	Thesium humifusum	Bastard Toadflax	Ventnor	(prostrate) 645
25	late June 1971	Polygonaceae	Rumex acetosella	Sheep's Sorrel	Glen Quoich, Inverness-shire	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
26	24.7.73	Uticaceae	Helxine soleirolii	Mind your own business	Toland, I.W.	
27	late June 1971	Betulaceae	Betula nana	Dwarf Birch	Inverness-shire at 1600 ft	Gully in heather
28	23.6.74	Myricaceae	Myrica gale	Bog Myrtle	Arran	697. Catacol
29	July 1972	Salicaceae	Salix aurita		Perthshire	
29a	3.7.72	Salicaceae	Salix reticulate		Ben Lawers	
30	July 1971	Salicaceae	Salix repens	Creeping Willow	Sands of Forvie, Aberdeenshire	71
31	July 1972	Salicaceae	Salix repens		Morrone, Braemar	72
32	10.6.75	Salicaceae	Salix repens	No entry	Bettyhill	771
33	Last week of August 1969	Salicaceae	Salix herbacea	Least Willow	Ronas Hill, Shetland	
34		Salicaceae ?				

Collection Number and Title: IV. Rosaceae, Crassulaceae, Saxifragaceae, Droseraceae, Onagraceae, Thymelaceae, Eleagnaceae, Cornaceae, Aerialaceae, Umbelliferae, Cucurbitaceae, Euphorbiaceae, Polygonaceae [Box 4]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
1	1.6.75	Rosaceae	<i>Rubus spectabilis</i>	None	Cruden Bay Aberdeenshire	
2	1942	Rosaceae	<i>Prunus spinosa</i>	Sloe, Blackthorn	Denbigh Moors	
3	1942	Rosaceae	<i>Prunus insititia</i>	Bullace	Denbigh Moors	
4	13.9.39	Rosaceae	<i>Alchemilla vulgaris</i>	Lady's Mantle	Auchinell, Aberdeen	
5	5.9.68	Rosaceae	<i>Sorbus aucuparia</i>	Rowan	Lumphanan, Aberdeenshire	
6	3.6.73	Rosaceae	<i>Sorbus aria</i>	Whitebeam	S. Berks	
7	11.5.69		<i>Malus silvestris</i>	Crab Apple	New Forest	830
8	24.8.40	Crassulaceae	<i>Sedum telephium</i>	Orpine or Livelong	Coutlaw, Aberdeenshire	
8a	8.5.74	Saxifragaceae	<i>Saxifraga granulata</i>	Meadow Saxifrage	Muchalls, Kincardineshire	
9	July 1971	Saxifragaceae	<i>Saxifraga stellaris</i>	Starry Saxifrage	Glengarry, Inverness-shire	71
10	July 1971	Saxifragaceae	<i>Saxifraga hypnoides</i>	Mossy Saxifrage	Forestry path, Glengarry Inverness-shire	71
11	9.6.41	Crassulaceae	<i>Sedum rhodiola</i>	Roseroot	The Glyders, Snowdonia	Mountains. 2 drawings [colour]
12	10.8.39	Droseraceae	<i>Drosera rotundifolia</i>	Sundew	Gruinard Bay, Sutherland	Marshy soil, peat bogs
13	Late June 1971	Droseraceae	<i>Drosera anglica</i>	Great Sundew	Glengarry Inverness-shire	
14	21.7.73	Droseraceae	<i>Drosera intermedia</i>	Hatchett Pond, New		

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
				Forest		
15	1974	Elaeagnaceae	Hippophae rhamnoides	Sea Buckthorn	I.W.	770
16	Late June 1971	Onagraceae	Epilobium neterioides		Forestry path, Clunes Inverness-shire	
17	16.7.73	Onagraceae	Circaea lutetiana	Enchanter's Nightshade	New Forest	
18	21.7.73	Onagraceae	Ludwigia palustris	Hampshire Purslane	Hatchett Pond, New Forest	Abundant by waterside. Prostrate
19	1941	Thymelaeaceae	Daphne laureola		Denbigh	Also Selbourne and Warburg Reserve, Horsea
20	Oct. 1945	Eleagnaceae	Hippophae rhamnoides	Sea Buckthorn	I.W. & Somerset	828
21	15.6.73	Cornaceae	Cornus sanguinea	Dogwood	Horsea Is., Portsmouth	2 drawings [colour]
22	1940	Araliaceae	Hedera helix	Ivy	Wales	
23	28.7.73	Umbelliferae	Eryngium maritimum	Sea Holly	Pilsey Island, Sussex	643
24	12.6.68	Cucurbitaceae	Bryonia dioca	White Bryony	P.T.C. Portsmouth	Also Warburg Reserve. [no drawing]
25	14.7.74	Euphorbiaceae	Mecurialis annua	Annual Mercury (female)	Medina Estuary	739
26	7.9.40	Polygonaceae	Polygonum aviculare	Knotgrass	Netherley, Kincardinshire	Cultivated land
27	1943	Polygonaceae	Polygonum amphibium	Amphius Persicaria	Oxford	

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
28	7.9.40	Polygonaceae	<i>Polygonum persicaria</i>	Persicaria	Netherley, Kincardineshire	Cultivated land 176
29	Sept. 1941	Polygonaceae	<i>Polygonum hydropiper</i>	Waterpepper	Oxford	220
30	31.viii.36	Polygonaceae	<i>Polygonum convolvulus</i>	Black Bindweed	Kirkmichael, Perthshire	Cultivated land. (arable)
31	1940 ?	Polygonaceae	<i>Polygonum minus</i> , Huds.	Slender Polygonum?		Found by blackberrying with HD & VF [no drawing]
32	1941	Polygonaceae		Marsh Persicaria	Oxford	Found when blackberrying with Miss Darbshire & Miss Fawcett
33	30.7.40	Polygonaceae	<i>Polygonum viviparum</i>	Alpine Persicaria	Bohally, near Loch Tummel, Perthshire	Damp, hilly pastures

Collection Number and Title: IV. Ericaceae, Empetraceae, Primulaceae, Gentianaceae, Boraginaceae, Convolvulaceae, Solanaceae, Scrophulariaceae [Box 4]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
1	No date	Ericaceae	<i>Vaccinium vitris-idaea</i>	Cranberry of Scotland	Dinnet, Aberdeenshire	218. [also coloured drawing labelled 'English cranberry (rare). 829']
2	No date	Ericaceae	<i>Arctostaphylos uva-ursi</i>	Bear berry	Dinnet, Aberdeenshire	
3	No date	Ericaceae	<i>Calluna vulgaris</i>	Ling, Purple Heather		171
4	23/24.8.40	Ericaceae	<i>Calluna vulgaris</i>	Ling, White Heather	Bielside Moor/Coutlaw Moor,	170

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
Aberdeenshire						
5	1 st week of August 1969	Ericaceae	Azalea loiseleuria procumbens (in fruit)		Ronas Hill, Shetland	Another coloured drawing of this species labelled: 'Morrone 30.6.72, 2000 ft up, Azalea loiseleuria procumbens
6	1 st week of August 1969	Ericaceae	Arctous Niedenzu?	Bearberry	Ronas Hill, Shetland	Another name label with no date or location with drawing
7	15.8.40	Empetraceae	Empetrum nigrum	Crowberry	Loch of Skene, Aberdeenshire	Heaths. & Hen Ddynbych. [2 colour drawings, showing a. flower, b. fruit
8	1938	Primulaceae	Lysimachia nemorum	Yellow Pimpernel	Denbigh	
8a	No date	Primulaceae		Yellow Pimpernel		
9	16.7.73	Primulaceae	Anagallis tenella	Bog Pimpernel	New Forest	
10	26.vi.36	Primulaceae	Anagallis arvensis	Scarlet Pimpernel	Failand, Somerset	Dry soil
11	27.vi.37	Primulaceae	Anagallis tenella	Bog Pimpernel	Mendip Hills	Damp soil on heath; 802. Weds. Tolsta
12	9.6.74	Primulaceae	Glaux maritima	Sea Milkwort	Lamlash sea-marsh, Arran	683
13	21.v.38	Primulaceae	Glaux maritima	Sea Milkwort	Anglesey	Coast. sand or turf. [2 colour drawings]
13a	9.v.37	Polygalaceae	Polygala vulgaris	Milkwort	Alfoxton, Somerset	Turf. [No drawing]
14	11.6.75	Primulaceae	Primula scotica	No entry	Bettyhill	777
15	30.vii.37	Gentianaceae	?	No entry	Dorchester,	Turf of a Roman vallum

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
					Oxon	
15a	1968	Boraginaceae	Myosotis collina	Early forget-me-not	Hants.	
16	27.4.69	Boraginaceae	Myostis ?	Forget-me-not	Selham, Sussex	[2 colour drawings]
17	10.6.40	Boraginaceae	Myosotis versicolor	Yellow & Blue forget-me-not	Llansannow	Turf
18	21.7.73	Convolvulaceae	Cuscuta epythymum	Common Dodder	Hatchett Pond, New Forest	Parasite on ling and gorse & tormentil. Dodder on gorse
19	June 1971	Convolvulaceae	Cuscuta epythymum	Lesser Dodder ?	Dorset	Cornwall, on gorse
20	No entry	Solanaceae	Lycium barbarum	Duke of Argyle's tea plant	No entry	
21	1969	Solanaceae	Solamen nigrum	Black Nightshade	Portsmouth	223
22	4.viii.36	Solanaceae	Solanium dulcamara	Woody Nightshade	Shipham Gorge, Mendip Hills 4.viii.36 and Oxford ix.38	Hedgerows [2 colour drawings showing a. fruit, b. flowers]
23	24.9.38	Scrophulariaceae	Linaria repens	Pale Toadflax	Denbigh	
24	7.10.39	Scrophulariaceae	Linaria cymbalaria	Ivy-leaved Toadflax	Denbigh	Rocks & old walls. [No drawing]
25	29.v.38	Scrophulariaceae	Erinus alpinus		Bodfari, Denbigh	Crannies of brick wall. Also seen on wall on seafront at Lamlash, Arran, 1974

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes [condition, annotations etc]
26	24.v.38	Scrophulariaceae	Veronica officinalis	Common Speedwell	Denbigh	1971
27	1940	Scrophulariaceae	No entry	Ivy-leaved Speedwell	Howell's School Garden	
28	14.v.38	Scrophulariaceae	Veronica serpyllifolia	Thyme-leaved Speedwell	Denbigh	Dry banks. [2 colour drawings]
29	22.10.39	Scrophulariaceae	Veronica agrestis	Procumbent Speedwell	Denbigh	Fields. [2 colour drawings]
30	2.7.72	Scrophulariaceae	Veronica fruticans	No entry	Loch Loch	
31	21.7.73	Scrophulariaceae	Veronica scutellata	Marsh Speedwell	Hatchett Pond, New Forest	In marsh, with bedstraws. Townsend Flora of Hants.
32	17.6.76	Scrophulariaceae	Veronica filiformis	No entry	Peebles	
33	19.viii.36	Scrophulariaceae	Pedicularis sylvatica	Lousewort	Kirkmichael, Perthshire	Damp pastures

Collection Number and Title: V. Urticaceae, Ulmaceae, Betulaceae, Fagaceae, Salicaceae, Ericaceae, Monotropaceae, Plumbaginaceae, Primulaceae, Oleaceae, Apocynaceae, Gentianaceae, Menyanthaceae, Boraginaceae [Box 4]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
1	May 1976	Ulmaceae	Ulmus ?	Elm		

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
2	11.8.74	Betulaceae	<i>Alnus glutinosa</i>	Alder		763
3	17.8.74	Fagaceae	<i>Fagus sylvatica</i>	Beech	Bielside, Aberdeen	777
4	28.7.73	Fagaceae		Evergreen Oak	Totland, IW	657
5	June 1976	Salicaceae	<i>Salix aurita</i>		Peebles	
6	15.8.74	Salicaceae	<i>Salix caprea</i>	Goat Willow	Persley, Aberdeen	766
7	17.6.76	Salicaceae	<i>Salix pentandra</i>	Bay Willow	Neidpath Gorge, Peebles	
8	1944	Ericaceae	<i>Arbutus unedo</i>		Somerset, Denbigh (1944) & Killarney	[no drawing]
9	6.9.68	Ericaceae	<i>Arctostaphylos uva-ursi</i>	Bearberry	Dinnet, Aberdeenshire	In centre (3 or 4) seeds. Several seeds in 3 beds.
10	5.9.68	Ericaceae	<i>Calluna vulgaris</i>	Scottish heather: Ling		With caterpillar of Emperor moth. 219 [no drawing]
11	9.9.68	Ericaceae	<i>Calluna vulgaris</i>	White Heather	1) Ullapool, 2) Coutlaw	219
12	5.9.40	Ericaceae	<i>Erica tetralix</i>	Pink cross-leaved heath	Netherley, Kincardine	Heaths
13	10.8.39	Ericaceae	<i>Erica tetralix</i>	White cross-leaved heath	Erisaig Bay, Sutherlandshire	Garve, Rossshire; Ullapool, Inverness-shire. Heaths
14	1971	Ericaceae	<i>Erica cinerea</i>			
15	24.8.40	Ericaceae	<i>Erica cinerea</i>	Bell Heather	Coutlaw, Aberdeenshire	172. Heaths
16	6.9.68	Ericaceae	<i>Vaccinium vitis-idaea</i>	Cowberry, Red Whortleberry.	Dinnet, Aberdeenshire	Less prominent. Upright like blueberry bell shorter. Leaves not so dk on right side. 14 seeds. [2 drawings (colour)]

Number	Date	Family Name	Scientific Name	Common Name	Location	Notes (Condition, annotations, etc)
				The Cranberry of Scotland (2).		
17	25.iv.38; 12.ix.39	Ericaceae	Vaccinium myrtillus	Bilberry (Blaeberry)	Hazlehead, Aberdeen	Heath
18	July 1968	Monotropaceae	Monotropa hypopithys	Yellow Bird's Nest	Compton, Hants	[no drawing]
19	No date	Plumbaginaceae	Armeria maritima	Thrift
