

RBGE Guild Staff List

This list contains the names of all members of the RBGE Guild from 1913 to the early 1960s. The Guild was an association staff members could join allowing them to keep in touch with colleagues past and present and *vice versa*.

Researchers will still need to contact library staff (archives@rbge.ac.uk) to look up the information, or to obtain the references that will allow a search of the Guild journals on a visit to the RBGE Library. 'Register Ref' denotes a name that can be found in the Probationer Gardener Ledgers.

Our many thanks go to Diana, the library volunteer who compiled this list making it so much easier to find genealogical information within the Guild journals.
