

Programme Description

Length: Half Day
Age Group: P1-3
Availability: All year round
Price: £3.50/ child

What does the panda need to survive and can we find those things at RBGE? This programme introduces children to a simple food chain and how living things in the environment depend on each other.

Follow in the footsteps of the Giant Panda to learn more about our Garden, too.

Learning Intentions

Children will:

- Learn about what living things need to survive
- Learn about simple food chains
- Explore the Garden
- Be introduced to current topics of biodiversity and sustainability

Curriculum Links

I have observed living things in the environment over time and am becoming aware of how they depend on each other. [SCN 0-01a](#)

I can talk about science stories to develop my understanding of science and the world around me. [SCN 0-20a](#)

I have contributed to discussions of current scientific news items to help develop my awareness of science. [SCN 1-20a](#)

What to expect

- Learn stories and games linked to plants and their importance
- Discover a variety of relevant plants and what they need to grow
- Pupils will be working outside, so should wear appropriate clothes and shoes

How to book

Bookings for all schools programmes are by telephone only. Please call the Education Office on 0131 248 2937 (option 2 for Schools).

The office is open 9.00am - 4.30pm, Monday to Thursday and 9.00am - 4.00pm on a Friday.

Enquiries about this programme can be made by emailing education@rbge.org.uk
