

## Programme Description

**Length:** Half Day

**Age Group:** P1-3

**Availability:** September – October; April - June

**Price:** £3.50/child

Follow a journey through the parts of trees from roots to leaves to seeds to discover their secrets. Explore using your senses and find out how trees are important to us.

## Learning Intentions

**Children will:**

- Name tree parts
- Explore the importance of trees
- Complete a picture using natural materials

## Curriculum Links

I can identify my senses and use them to explore the world around me. [SCN 0-12a](#)

I have helped to grow plants and can name their basic parts. I can talk about how they grow and what I need to do to look after them. [SCN 0-03a](#)

I explore and appreciate the wonder of nature within different environments and have played a part in caring for the environment. [SOC 0-08a](#)

I have the freedom to discover and choose ways to create images and objects using a variety of materials. [EXA 0-02a](#)

I have explored my senses and can discuss their reliability and limitations in responding to the environment. [SCN 1-12b](#)

I have the opportunity to choose and explore a range of media and technologies to create images and objects, discovering their effects and suitability for specific tasks. [EXA 1-02a](#)

## What to expect

- An interactive journey round the Garden using games and exercises to learn more about the life of trees
- This is an outdoor programme in the Garden so please make sure that children have appropriate outdoorwear and footwear
