

# Teddy Bears' Picnic

## Programme Description

**Length:** Full day  
**Age Group:** P1-3  
**Availability:** Summer term only  
**Price:** £4.50/child

Edward Bear invites your pupils and their teddies on a magical sensory adventure to learn about the wonders of nature and discover how living things obtain the necessities of life. Children will explore the Garden and will think about how we can help look after the environment.

## Learning Intentions

### Children will:

- Learn about how living things obtain the necessities of life
- Use their senses to learn more about the garden
- Will think about ways in which we can help look after the environment

## Curriculum Links

I can identify my senses and use them to explore the world around me. [SCN 0-12a](#)

I explore and appreciate the wonder of nature within different environments and have played a part in caring for the environment. [SOC 0-08a](#)

I have observed living things in the environment over time and am becoming aware of how they depend on each other. [SCN 0-01a](#)

I explore and discover the interesting features of my local environment to develop an awareness of the world around me. [SOC 0-07a](#)

I can explore examples of food chains and show an appreciation of how animals and plants depend on each other for food. [SCN 1-02a](#)

## What to expect

- This is an outdoor programme so everyone must wear appropriate clothes and shoes.
- Remember to bring a teddy- and lunch!
