

Programme Description

Length: Half Day
Age Group: P4-7
Availability: All year round
Price: £3.50/child

Focus on the world of plants and their amazing lifecycles. This is an opportunity to discover everything from the secrets of seeds to the power of pollination using special equipment along the way.

Learning Intentions

Children will:

- Learn about the parts of a flower and what they do
- Learn the different stages of the plant lifecycle
- Discover the relationships between pollinators and plants

Curriculum Links

By investigating the lifecycles of plants and animals, I can recognise the different stages of their development. **SCN 2-14a**

What to expect

- Students will be involved in an indoor 'drama' to learn about the parts of a flower.
- An interactive tour of the glasshouses and Garden
- Explore a plant life cycle from seed to seed
- Parts of this programme may take place outside so appropriate clothing and shoes should be worn

How to book

Bookings for all schools programmes are by telephone only.

Please call the Education Office on 0131 248 2937 (option 2 for Schools).

The office is open 9.00am - 4.30pm, Monday to Thursday and 9.00am - 4.00pm on a Friday.
