

Programme Description

Length: Half-day
Age Group: Biology, Sciences, Suitable for National 3/4/5
Availability: All year
Price: £3.50/pupil. (£6.00/pupil for 2 programmes)

What special features allow plants to live in a particular environment? Examine different plant adaptations and explore how they allow life in different conditions and climatic environments.

Learning Intentions

Students will:

- Have an opportunity to explore the glasshouses
- Learn about plant adaptations to different environments
- Observe and engage in debate about plant adaptation
- Discuss climate change and its effect on plants
