RBGE successfully gained the Athena Swan Research Institute Bronze Award in 2016. This is in recognition of a thorough assessment of where we are now, and our ambitious future plans for promoting further equality of opportunity at RBGE.

Family friendly policies

We recognise the importance of a good work-life balance to allow you to have time for family, friends, community participation, personal growth, and other personal activities, in addition to the demands of the workplace. We have several initiatives aimed at helping you achieve this balance.

Flexible Working Arrangements

We actively promote flexible working wherever possible in the workplace, whether this be to change your work pattern, reduce your working hours on a temporary or permanent basis or move to a hybrid/home working arrangement. Requests are considered sympathetically in line with the business needs.

Holidays

You are entitled to 25 days annual leave on joining, increasing to 30 days after 5 years' service. In addition, you also receive 11.5 days public and privilege holidays each year. There is also the opportunity to purchase up to two weeks additional annual leave in any leave year.

Contractual Maternity, Paternity and Adoption Leave

Once you qualify, our contractual maternity, paternity and adoption leave schemes entitle you to the following:

Maternity leave	26 weeks on full pay; 13 weeks on statutory maternity pay; 13 weeks unpaid
Paternity leave	2 weeks on full pay
Adoption leave	26 weeks on full pay; followed by 13 weeks on statutory adoption pay; 13 weeks unpaid

Shared Parental Leave

We recognise that work and parenthood can create conflicting pressures. Shared parental leave encourages a culture of flexible working to assist you to balance family and work commitments. Providing you meet the eligibility conditions, we allow up to 39 weeks shared parental pay, paid at the same rate as our maternity pay.

Career Breaks

Requests are considered from anyone wishing to take a career break for a minimum period of 6 months. We will guarantee you will be able to return to the same or – in the case of a longer absence - a broadly similar role on the same terms and conditions.

Special Leave

We offer up to 10 days of paid “flexible leave” each year over and above annual leave and public and privilege holidays. This includes special leave for bereavement and domestic emergencies but could also include other situations such as:

- Accompanying a parent or partner to a medical appointment
- Caring for a family member after surgery or illness
- Attending funerals of those out with the immediate family
- Unexpected responsibilities for those with caring responsibility
- Collecting children due to school closures
- Looking after children or family members during illness
- Pet emergencies
- Transport strikes
- Extreme weather situations where travel is inadvisable

This list is illustrative rather than exhaustive, and other situations may also be considered.

Pension Arrangements

Your pension is a valuable part of your pay package. You will be automatically enrolled into the Civil Service pension arrangements when you join. If this is the first time you have worked for a public service employer, you will be able to choose between:

Alpha – provides a defined benefit worked out on a career average basis. Employee contributions range from 4.6% to 8.05% depending on your salary, with employer contributions ranging from 26.6% to 30.3% depending on your salary.

Partnership - which is a defined contribution arrangement. RBGE will match employee contributions up to a maximum of 3% but will also pay an additional age-related contribution on your behalf.

Staff Support and Advice

Employee Assistance Service

Help Employee Assistance is a free support service available to you, your partner, and any dependent children under 21 living in the same household. The service provides support to those experiencing emotional, practical, health and social issues. The service is free and completely confidential and operates 24 hours a day, 7 days a week.

Charity for Civil Servants

The Charity for Civil Servants provides help, advice, and support to current and retired civil servants on a range of issues including money, relationships, caring and wellbeing. You can find out more on their [website](#) or Freephone 0800 056 2424.

Trade Union Membership

We understand the importance of effective consultation and staff involvement. RBGE works in partnership with the Prospect trade union. Prospect will provide membership information directly.

Payroll Deduction Schemes

All the benefits listed below can be paid for via a deduction from your salary and most of them are salary sacrifice schemes which means you do not attract a charge for national insurance, so your pay goes further. You can also make tax savings with our childcare voucher and cycle to work schemes. Cushon is a net salary deduction scheme, therefore there are no income tax or NI savings with this one.

The logo for Halfords features the word "halfords" in a bold, orange, lowercase, sans-serif font, set against a dark grey rectangular background.

halfords

We operate our cycle to work scheme in association with Halfords. The scheme is open throughout the year, and you can elect to buy a bicycle/cycle equipment up to a maximum value of £2,000 and take advantage of a 24-month repayment period.

We have partnered with Tusker to create our car benefit scheme. You can salary sacrifice some of your pay in exchange for a brand new electric or plug-in hybrid car (diesel and petrol vehicles are also available). It's a great little perk and means you can enjoy a nice new set of wheels without any deposit or ongoing running costs including road tax, insurance, MOTs, breakdown assistance and routine servicing and maintenance.

Let's Connect scheme is designed to make it easier to access to the latest consumer technology from leading manufacturers and spread the cost through salary sacrifice arrangements. The scheme is open all year round and is subject to a limit of £2,000.

We've teamed up with Cushon to help give you an easy way to save and invest into an Individual Savings Account (ISA) straight from your net pay. Whether you're saving for your first home, getting your kids ready for university, or simply aiming to build savings to fall back on, Cushon can help you get there.

Childcare vouchers are a simple and cost-effective way of helping to pay for childcare. They can help you find childcare to suit your family's needs - and because you don't pay tax and national insurance on the vouchers, you can save up to £1,000 per year. Further information can be found on the mylifestyle website.
