LIFE ON BOARD

After being ashore, the comfort and relaxed ambience of *Hebridean Princess* welcomes you back as though to your own home. The Tíree Lounge, with its intimate bar, is the social focal point; beautifully designed and filled with soft armchairs and cosy sofas grouped around perhaps the most extraordinary feature of the ship – a brick inglenook fireplace! ‘Like home but better’ is how *Hebridean Princess* has been described.

DINING AND CUISINE

It is said that sea air stimulates the appetite and it is certainly our experience that guests are eager to be taken to the very finest destinations of haute cuisine created by a talented brigade of chefs. Only the freshest and finest ingredients are used in our menu choices, most of which are procured from local suppliers; and no cruise would be complete without a traditional recital of Robert Burns’ Address to a Haggis!

GOING ASHORE

On most days *Hebridean Princess* berths or anchors in different locations both morning and afternoon, whilst the ship’s tenders are on hand to operate a shuttle service ashore. Should you choose to wander at will, the small boats are always available to transport you back on board if the yearning for a glass of something or the pastry chef’s afternoon tea prove too hard to resist.

CREW

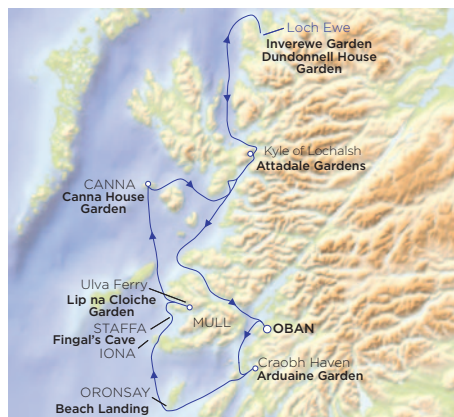

On board *Hebridean Princess* you will find only 48 like-minded guests and no fewer than 38 crew to look after you. Everything we do receives the same level of care and attention; from the carefully conceived shore visits to the spectacular overnight anchorages, the exquisite menus and the unique and individually designed cabins. Discreet service is the bedrock of our reputation and the uncannily accurate anticipation of your needs is a skill that our crew has developed into almost an art form.

WEST COAST GARDENS AND HEBRIDEAN ISLES

Tues 30th May to Mon 5th June 2028

Warmed by the Gulf Stream, Scotland's rugged west coast boasts some of Britain's most spectacular gardens, many featuring historic ties to the United States.

From Oban we visit Arduaine, remote Oronsay and sacred Iona, travelling to Fingal's Cave and Ulva, then exploring Canna's walled garden. Next we head north to Dundonnell and the celebrated Inverewe, returning via Attadale.
