It is extremely important that you keep to the study timetable to get the most out of this course. It means you will receive feedback at the appropriate times to enable you to continue smoothly with the course and successfully complete it. In the event you do find you are falling behind you must contact your tutor to discuss the options.

Please note: If you are unable to complete a module in the specified timeframe, there will be an additional charge for marking and feedback. This fee will vary depending on the module and the level of marking and feedback required. These fees may be waived in the event of extenuating circumstances.
